BUSINESS PARTNER PROGRAM 2008

How to Become Part of the Business Partner Program

To be Business Partner with Qualiteasy, the interested enterprise should enroll in the following five phase program.

Phase One: Send the signed, stamped and completed application to us by fax.

Phase Two: The following will be sent to the business partner in digital format:

- Qualiteasy Product Brochure
- Pack of success cases of Qualiteasy implementation
- Pack of video demonstrations

Phase Three: Validation through on-line test

- Training session on the basic functionalities of Qualiteasy (Estimated Duration 20-30 minutes)

Phase Four:

- Access to Qualiteasy course. Using the course, the business partner will be able to receive training online and take the tests for each module (Estimated Duration 2 weeks with a dedication of approximately 3 hours weekly)
- Turn in 1-2 business contacts in order to follow up, according to availability.

Phase Five: Online Test for Final Business Partner Validation

- Two hour online training and validation
- Maximum time of validation process will be 1 month after the time Enrollment Form is received

Business Partner Repayment Conditions

- Face-to-face training with Qualiteasy
85% retribution of the training cost
- Sale of Qualiteasy to a client whose contact was delivered by Qualiteasy
When a sale of Qualiteasy is made to a client whose contact was given by Qualiteasy the business partner will receive 15% of the final sale.

Note: With respect to the services that your company can offer to our current or potential clients, the commission that Qualiteasy LLC will receive will be 15% of consulting services. In the case that the business partner consultancy is realized without Qualiteasy Software, the commission would be 20%.

Other Benefits

- Link with the business partner information on the Qualiteasy website
- Communication through Qualiteasy Newsletter
- Exclusive software demo for commercial use
- Online support by means of remote control technology
- Access to 2008 Incentives Plan
